

eVTOL Crashworthiness Workshop # 3: DoD Considerations for Crashworthiness of eVTOL Vehicles – Purpose and Need

Speaker	Organization	Time (Eastern)	Presentation Title
Justin Littell / Joseph Pelletiere	NASA / FAA	12:00 – 12:15	Introduction and the DoD Crashworthiness background
Col. Nathan Diller	AFWERX	12:15 – 12:45	Agility Prime
Brandon Hall	NAVAIR	12:45 – 13:15	Research Topics Related to Naval Aviation Crashworthy Systems
Lindley Bark	NAVAIR	13:15 – 13:45	Crashworthiness and Qualification of Rotorcraft Seats by Modeling and Simulation
Nathan Wright / Casey Pirstill	AFRL	13:45 – 14:15	USAF Needs/Difference, Current Research and Identified Knowledge Gaps with Future eVTOL Systems.
