12:50PM – 1:00PM	<b>Closing Remarks</b>	Parimal Kopardekar, NASA

*\* This agenda may be subject to modification.*

## FREQUENTLY ASKED QUESTIONS (FAQs)

### Do I need to register?

Yes! To register, enter <https://nari.arc.nasa.gov/supplychainwgregistration> into your browser and follow the instructions on the webpage.

### *Please note there are 2 choices for registration:*

- **Active Participant:** You will have the ability to interact directly with the hosts and speakers through the MS Teams platform. *We will be capping active participation at 150 attendees.*
- **Listen Only Participant:** You will have the ability to view the meeting in real time through YouTube Live Stream and ask written questions through the [conferences.io](https://conferences.io) platform. Note, these questions will only be addressed if time permits or at the facilitator’s discretion. *There is no cap for listen only participation.*

### What platform will we be using?

- For **Active Participants**, we will be using MS Teams. Once you register, you will receive a confirmation e-mail with the MS Teams link and call-in details. Furthermore, NARI will resend the details on the morning of Thursday, March 11<sup>th</sup>.
- For **Listen Only Participants**, we will be using YouTube Live Stream. The YouTube Live Stream link will be available at the AAM Supply Chain Working Group site (<https://nari.arc.nasa.gov/aamsupplychain>) **15 minutes prior** to the start of the meeting.

### How will the discussion be handled?

- For **Active Participants**, we will be utilizing the microphone, chat, and “Raise your hand” features on the MS Teams platform. Below are a few recommended best practices:
  - Leave your cameras/webcams off to preserve WiFi bandwidth.
  - Enter comments/questions in the chat function on the right side of the screen.
    - The moderator will record and respond to the chat messages as applicable; or
    - Call on the participants to voice their question and provide more clarity.
  - Click the “Raise your hand” button if you wish to speak.
  - Use your mute/unmute button (i.e. remain on mute unless you have been selected to speak).
  - Say your name and affiliation before you begin speaking.
- For **Listen Only Participants**, we will be utilizing the [conferences.io](https://conferences.io) for Q&A. You will enter your questions in the [conferences.io](https://conferences.io) link and the presenter will verbally share the questions (and answers) with everyone in the YouTube live stream. [Conferences.io](https://conferences.io) has the ability for you to up-vote questions which moves them to the top of

## AAM Supply Chain Working Group: Lessons Learned from Legacy Supply Chains in Aerospace

the list. *Note, during the discussion, priority will be given to the active participants and [conferences.io](https://conferences.io) questions will only be addressed if time permits or at the facilitator's discretion.*

- To access [conferences.io](https://conferences.io) for Q&A, enter <https://arc.cnf.io/> into your browser and select the applicable session.
- We will not be taking verbal or written questions from the Listen Only Participants through YouTube. However, you will need to use the meeting specific YouTube Live Stream link to see the slides and hear the discussion.

Please note, **this session may be recorded** and shared on the AAM Supply Chain Working Group site (<https://nari.arc.nasa.gov/aamsupplychain>) within a week or so of the event.

### **Will the meeting recording and presentation materials be shared?**

Yes, the meeting recording and presentation materials that are approved for distribution will be shared on the AAM Supply Chain Working Group site (<https://nari.arc.nasa.gov/aamsupplychain>) within a week or so of the event.
