

Kirsten Bartok

Kirsten Bartok is AirFinance's founder and managing partner. Her firm specializes in structured finance, leasing and financing of aircraft, and emerging markets in aviation. Kirsten has an extensive background; she helped lead Hawker Beechcraft's expansion into Asia, specifically China, and she was part of the core executive team that built XOJET and developed its innovative business jet outsourcing model. As CFO, she oversaw their financial and strategic initiatives. Kirsten has also spent 12+ years in private equity, venture capital, investment banking and capital markets: as at Alpine Investors, JPMorgan Partners, and Goldman, Sachs & Co.
